

Rack Mountable Fan Module

19" Rack Mountable Fan Tray

Infinique's Fan Tray is a 19-inch Rack Mountable fan module suitable for installation in a 19-inch cabinet. Due to its 19-inch size, it can attach to the 19-inch device installation rails of all trademarks and models. It comes with two types of fan plates, both 1U in height, with options for 2 fans or 4 fans.

The Fan Tray may be manufactured in three types of control units, including models with no thermostats (on/off control), models with an analog thermostat, and models with a digital thermostat.

Features and Benefits

- Industry Standards**
 Standard 19" Rack Mountable Fan Tray
- Rugged Construction**
 Each fan motor used in the fan modules has a suction and discharge capacity of 2.22m³/min to 2.7m³/min and a noise level of 43db
- Functionality**
 They provide unique functionality and ventilation ability to all 19-inch Cabinets by being attachable from the front.
- Unit Heights**
 Available in 3, 6, 9, 12, 15 and 18 units.
