

FAS-NET MPO Panels

MPO Sliding Panel and Chassis

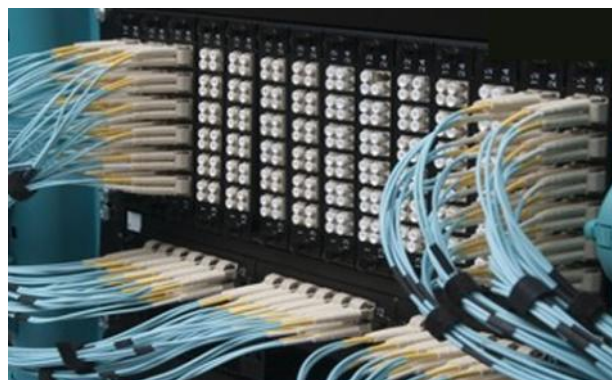

Infinique's FAS-Net MPO Panels are modular and designed for high density Gigabit Ethernet Applications. This Plug and Play solution offers high performance with speedy installation. FAS-NET MPO Panels are available in 1U and 3U heights. FAS-NET MPO 1U Panel is a sliding tray that can accommodate up to three FAS-NET MPO LC or SC Cassettes giving a high connectivity of 72 fiber connections in 1U. FAS-NET MPO Panels can also be used with FAS-NET MPO Adapter Plates.

FAS-NET MPO Chassis 3U can accommodate up to 14 FAS-NET MPO Cassettes, resulting in a maximum of 336 LC connections in 3U. The FAS-NET MPO Cassettes can easily be loaded using the locking latches. Dust caps on all the connectors and blanking panels ensure a professional looking installation.

FAS-NET MPO Adapter Plates are a modular solution which allows a maximum of 24 MTP Connectors in 1U space. These can be individually fixed by the locking latches on each plate. Each Adapter Plate can accommodate up to eight FAS-NET MPO Trunk Cables.

Product Features

- Plug and Play and Speedy Installation
- Integrated bending radius limiter
- Modular High Density Design
- Up to 72 fibers in 1U
- Up to 336 fibers in 3U
- Locking latches for speedy installation
- Blanking Plates for professional look

FAS-NET MPO Chassis, 14 Vertical Slots, 3U

FAS-NET MPO Modular Sliding Patch Panel 1U

FAS-NET MPO Modular Sliding Patch Panel 1U with MTP Adapter Plates

MATERIAL SPECIFICATIONS

Material	Galvanized Steel
Connection Module Latch	Polycarbonate, fiber-glass reinforced
Color	Black
Dimensions	19 inch, 1U
Height (Rack Unit)	1U / 3U
Operating Temperature	-40°C ~ +75°C
Storage Temperature	-40°C ~ +85°C

ORDERING INFORMATION

Part Number	Description
MP031U	Infinique FAS-NET MPO Modular Sliding Patch Panel 1U
MP143U	Infinique FAS-NET MPO Chassis, 14 Vertical Slots, 3U
MP14BP	Infinique FAS-NET MPO Blank Patch
MPSMMT	Infinique FAS-NET MPO Adapter Panel, 72 Fiber, Singlemode
MPM3MT	Infinique FAS-NET MPO Adapter Panel, 72 Fiber, Multimode

Infinique's Extended Product Warranty provides a 25-year product and applications assurance of compliance with the industry performance standards appropriate to the class of cabling installed. This is a link performance warranty, covering patch panel to outlet and may be applied for by an Authorized Infinique's Channel Partner who has designed, supplied and installed the system.

Infinique, a Canadian company is a manufacturer of high performance end-to-end solutions in copper, fiber and video surveillance systems. For more information visit our website at www.infinique.com or email us at sales@infinique.com.
